

The Honorable U. Alexis Johnson *carl*

17 June 1964

MEMORANDUM FOR: 303 Committee Members

SUBJECT: U-2 Photographic Coverage of Cuba

Mr. McCone asked that the attached be brought to your personal attention. It indicates that photographic coverage of the island of Cuba is being maintained successfully within the limitations of two to three flights per week.

This paper was noted by the United States Intelligence Board at its meeting this morning.
